## FORT MILLER ANNUAL and JOHNSON FAMILY REUNION IS A GO!!!

---

Well, it's official – after the club meeting following the November shoot the Kings River Regulators voted to go ahead with plans for the Fort Miller Annual in April of 2021. Snakebite was dragged into, I mean hornswaggled, I mean nominated and chosen to be the Match Director, and High Cotton will serve as the Match Coordinator. They, however, are not the only members involved in putting on this wonderful match... **YOU ARE!!** Snakebite made sure that everyone knew that we all must do our part to assist. As he said, “Many hands make light work”, and he's got photos to prove that we all agreed! Now there will of course be some

modifications this year, what with Covid and all, but it promises to still be the most fun you can have with your cowboy hat on. As long as everyone pitches in and helps out with what they can, it is going to be a great time. And I don't know about you, but I am greatly looking forward to that Johnson Family Reunion! **Fort Miller 21 here we come!**

## A GREAT MATCH IN NOVEMBER!

There were turkeys galore – and I'm not just talking about KRR members! Dusty Devil Dale was the match director and he hosted a great time. In addition to shooting turkey targets, we shot a lot of pumpkins too – and got our tongues tied saying the starting lines. Those pumpkins weren't easy either – Just ask Rusty Shotgun, who gunfighbred Yosemite Sam style and shot to either side of the “Great Pumpkin” ...

How about this fine leather holster?

**Our Hand Carved Mexican Style Cowboy Holsters.**

Made of heavy russet saddle leather, to match our fancy cowboys' saddle. These holsters are all hand carved, and are not to be compared with the holsters that other houses sell as the fine cowboy holster, which are embossed under a large press; but these are the most handsome and best holsters in the market.

The following holsters are made to fit the Smith & Wesson, Harrington & Richardson, Hopkins & Allen, Forehand, Iver Johnson, Colt's New Pocket, and New Police and our own make revolvers in 38-caliber only. They are not made for 32-caliber revolvers. When ordering, give the catalogue number in full.

Happy cowboys & cowgirls shoot faster
