Range Officer will confirm ready, then say **STAND BY** -- Followed by a gunshot

Shooter's will engage the 10 pistol, 10 Rifle, and 6 shotgun targets

Changing positions as needed

RULES:

Spotters will indicate pistol hits/misses at the end of the stage

Shotgun or reloaded rifle may be used to correct rifle misses

All knock-down (Rifle and Shotgun) targets must be down

before engaging the center SG target

All targets must be engaged.

If plates fall prematurely, shooter must still engage them by shooting where they were

Winner will be determined by the fall of the center target -- only if no misses occur

OR by the fewest misses if misses occur

If a shooter accidentally drops both center targets, the first finisher with no misses wins
